Comprehensive Plan Overview

Wilkes-Barre Area Career and Technical Center

The Wilkes-Barre Area Career and Technical Center is a Phase 3 school for the Pennsylvania Department of Education Comprehensive Planning Process. The Comprehensive Plan is a three year strategic plan required under Chapter 4 of the Pennsylvania School Code. The new plan was developed through a team process, including educators, administrators, parents and agencies. The team met and discussed priority areas of focus that led to the development of goals, strategies, and action plans for the three year Comprehensive Plan.

As part of the Comprehensive Planning process, a draft plan is required to be available for public review. Public comments via email or form submission are being accepted until November 1, 2014 and your feedback is welcomed. Email comments can be sent to Dr. Tony Guariglia, Assistant Principal, at the Wilkes-Barre Area Career and Technical Center aguariglia@wbactc.org.

Hard copies of the plan are available at the following locations (feedback is encouraged):

- Wilkes-Barre Area CTC, 350 Jumper Road, Plains Township, PA 18705.
